Jan 2022 – Present Centennial College Scarborough, ON – *College diploma in Software Engineering Technology*

PROFESSIONAL EXPERIENCE

- May 2023 – Dec 2023

General Laborer – *Angel Renovations Scarborough, ON*
 - Assisted in the setup and breakdown of construction sites, ensuring the efficient loading and unloading of supplies and materials from trucks and delivery vehicles.
 - Operated and maintained various equipment and tools, including hand tools and power tools, to support ongoing construction activities.
 - Collaborated with team members to complete tasks safely and efficiently, adhering to established safety protocols and guidelines.
 - Conducted routine inspections and minor repairs on equipment and tools to ensure functionality and safety.
 - Supported the overall cleanliness and organization of the job site, including debris removal and cleanup activities.
- Dec 2022 – May 2023

Line Cook – *Swiss Chalet Markham, ON*
 - Collaborated with kitchen team to ensure timely preparation and cooking of menu items, including dressings, sauces, appetizers, sides, and entrees, maintaining consistency and quality.
 - Assisted in meal preparation by prepping, washing, and chopping meal components for use in larger dishes, following established recipes and portion sizes.
 - Expertly plated meals according to specifications and presentation standards, contributing to a visually appealing dining experience for guests.
 - Managed inventory levels by restocking kitchen items as needed, monitoring supplies to support efficient kitchen operations.
 - Maintained cleanliness and sanitation standards in the kitchen area by washing and sanitizing dishes, utensils, and kitchen equipment, adhering to food safety regulations and guidelines.
- Jan 2021 – Sep 2022

Babysitter – *The Cardoso Family Scarborough, ON*
 - Provided attentive care for a 2-year-old boy in the absence of his parents, ensuring his safety and well-being at all times.
 - Maintained a nurturing environment by bathing, feeding, and putting the toddler down for naps according to his schedule and preferences.
 - Engaged the child in stimulating and educational activities, including arts and crafts projects and interactive storytelling, fostering creativity and cognitive development.
 - Established and maintained a positive rapport with the child, building trust and encouraging open communication.
 - Monitored and responded to the child's needs and behaviors, adapting caregiving techniques as necessary to promote a harmonious and enjoyable experience for both the child and the family.

PROJECTS

Decimal to Binary Converter

- Built an app using complex mathematics in JavaScript that allows users to convert a decimal number to a binary number

To do App

- Built an app incorporating complex functions and advanced built in methods that allows users to create a to do list. Users can create, modify, and delete tasks.

Palindrome Checker

- Built an app utilising regular expression functions that allows users to check if a word or sentence is a palindrome.
-
